

PLG Support Group

FAIR Policy Debate

Jim Barlow – Deputy Director, Asset Performance and Engineering
24th October 2018

PLG support group (for discussion)

- Communications channels across the group. – How are we sharing information
- Information to help share the messages – what information are we preparing
- Broaden the network group – do we need more people to get involved more directly
- Is there enough central support for Communications ?

Policy Debate (for discussion)

- Use existing international meetings
 - KRING
 - LSP
 - ICOLD
- National stakeholder engagement
 - Environment Agency
 - Institute of asset management
 - Flood and Coast conference 2019 (20)
