THE BASICS

EQUIPMENT

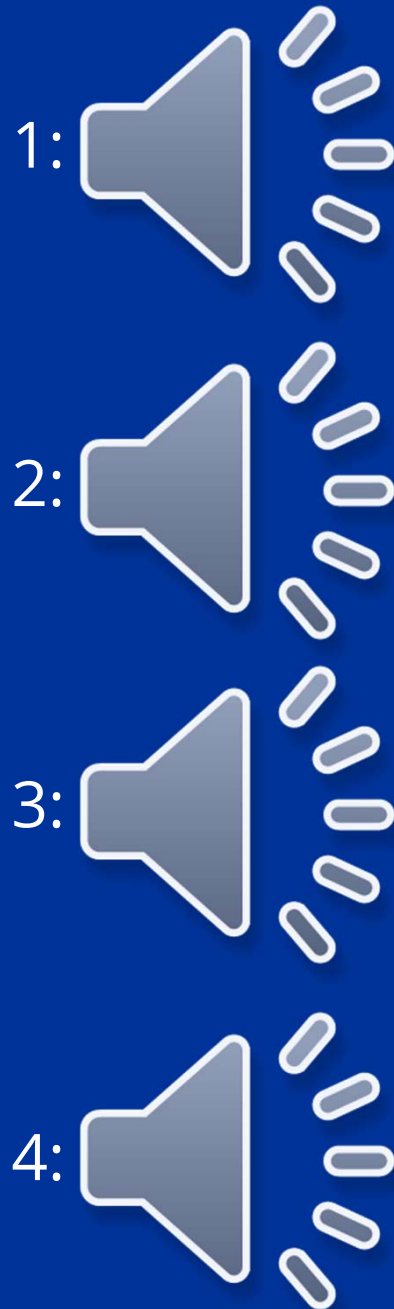

The image is a collage of three photographs. The top-left photo shows the interior of a tunnel with a curved concrete ceiling and some lighting fixtures. The bottom-left photo shows the interior of a tunnel with a smooth, light-colored floor and a series of tracks or rails running down the center. The right side of the collage is a large photo of a multi-lane highway with heavy traffic, including several large trucks and cars, under a cloudy sky.
